# For Kate

27. – 30. Březen 2004 Drahoňův újezd - Praha

*G\**

I wanted nobody else

*A<sup>7sus4</sup>*

I felt fear of the next verse

*C<sup>add9</sup>*

But love's coming like a spring

*G\**

Now I know

And when You knocked on my door

I opened, You drove away my sore

Love's coming like a spring

I know

Now You are on my mind

I am as high as a kite

I'm singing like a fool again

Hey

I love You, I love you

I love You, I love you gal

Hey, hey, hey

I want You so

Oh

I love You, I love you

I love You, I love you gal

Hey, hey, hey

I want You so

Kate I love You

# I'm singing

14.4.2006 Praha - 15.4. Drahoňův újezd

*E C#mi F#mi A...*

I'm singing and  
I'm walking down the street  
I'm singing and  
I come back to your sweet

Your body is all what I want to touch  
I want you so bad, I want you so much  
Your body is all what I want to touch  
I want you so bad, I want you so much

I'm singing and  
I hope you'll show my way  
I'm singing and  
I hope you're here to stay

Your body is all what I want to touch  
I want you so bad, I want you so much  
Your body is all what I want to touch  
I want you so bad, I want you so much

I'm singing and  
I'm walking down the street  
I'm singing and  
I come back to your sweet
