For Kate

*G**

I wanted nobody else

A^{7sus4}

I felt fear of the next verse

C^{add9}

But love's coming like a spring

*G**

Now I know

And when You knocked on my door

I opened, You drove away my sore

Love's coming like a spring

I know

Now You are on my mind

I am as high as a kite

I'm singing like a fool again

Hey

I love You, I love you

I love You, I love you gal

Hey, hey, hey

I want You so

Oh

I love You, I love you

I love You, I love you gal

Hey, hey, hey

I want You so

Kate I love You

Dmi

One of these moments
When I think about sin

C

If You're sinful, let me sing

Dmi

I want You, I want You

One of these moments
When I need to feel

Your body, Your smell
You're my meal

I want You, I want You

Ami

I'm in a hole

G

I'm a fool

Don't You Know

My Sun

One of these moments
When I'll drink Your mead

You're a Leonine woman

And You're so sweet

I want You, I want You

One of these moments
When I'm thirsty for You
We are lovers on the Moon
I want You, I want You

I'm in a hole

I'm a fool

Don't You Know

My sun

One of these moments
When I think about sin
If You're sinful, let me sing
I want You, I want You

One of these moments
When I'll drink Your mead
You're a Leonine woman
And You're so sweet
I want You, I want You

I'm in a hole

I'm a fool

Don't You Know

And You're the Sun

Zpěvu mých tichých múz

Ještě dřív, než oči otevřel

Hudbou odkojen byl

Na klavír jsem mu písničky hrál

Svět se mu zalíbil

Když se Frněk trošku rozkoukal

Někam mi odešel

V deníku mi zůstal obrázek

V noci jsem se rozbrečel

You're still-teen

I'm No-teen

What will we do?

You're still-teen

I'm No-teen

What will we do?

My little girl

The silver moon is lighting all the night

I'm still flying and I'm fighting with my mind

The longest night when I'm singing

About You

Here's the star from sky and morning dew

Only for You

The only, the only, the only for You

The only, the only, the only for You
